## ADDITIONAL INFORMATION

- 1) One standard trash can is the equivalent unit volume to a 32 Gallon Waste Wheeler.
- 2) **Low income customers** enrolled in PG&E's or the Gas Company's low income programs are eligible for a reduced one can rate. Please contact the garbage company for details.
- 3) **Mileage charge**: A charge applied to the customer's bill for additional mileage beyond 1/2 mile from the urban reserve line. The mileage charge is added for each round trip.
- 4) **Service away from the curb**: A monthly charge that is assessed to the residential customer's bill when service inside the property line is requested. This charge is not applicable to disabled customers without the means of setting the containers in the public right of way for collection.
- 5) **Optional Waste Wheeler Charge**: A charge for using more than one garbage waste wheeler at a given service level. For example, a customer who has subscribed to a 64 gallon monthly garbage service level may choose two 32 gallon garbage waste wheelers instead of one 64 gallon garbage waste wheeler, for this additional charge.
- 6) **Trip Charge**: A charge to service a residential customer on a non-route day or after the area's collection has occurred. Additional fees may be incurred according to volume of waste collected and any applicable mileage charges (see note 3).
- 7) Late Fees: These are imposed for all customers over 30 days delinquent delinquent. The fee is 1.5% per month of the outstanding charge, with a minimum fee of \$5.00. No prior notice is required, as this late fee policy is stated at the bottom of every bill.
- 8) **Miscellaneous Charges**: are increased by one rate for all three unincorporated areas receiving garbage hauling services provided by Mission Country Disposal.
